

# Providing best in industry thermal mechanical products for steam, hot water, and hydronic systems.

**MANUFACTURER'S REPRESENTATIVE & STOCKING DISTRIBUTOR**

Since our founding nearly 70 years ago, customers have chosen **Calpacific Equipment Company** for our experience and knowledge of system applications and equipment, our premier brands, and our customer-focused support. They rely on us for Complimentary Diagnostics; Steam Trap Surveys; Assessments, Audits and Evaluations; and Seminars and Training.

## Our Specialties

### **HOT WATER**

- > Water Heaters
- > Flow Measurement
- > Pumps
- > Water Treatment
- > Controls
- > Instrumentation
- > Valves

### **HYDRONICS & PLUMBING**

- > Booster Systems
- > Valves
- > Pumps
- > Controls
- > Flow Measurement
- > Instrumentation

### **SERVICES**

- > Steam Trap Testing
- > Thermal Assessments
- > Insulation Surveys
- > Equipment Diagnostics
- > Training

### **STEAM**

- > Boilers
- > Feedwater
- > Softeners
- > Controls
- > Valves
- > Humidification
- > Instrumentation

### **HEAT TRANSFER**

- > Coils
- > Heat Exchangers
- > Heat Recover
- > Instrumentation

### **CONDENSATE**

- > Recovery
- > Return

**ARMSTRONG INTERNATIONAL**

- Steam Systems
- Condensate Systems
- Hot Water for People
- Hot Water for Industry
- Humidification
- Flow Measurement
- Heat Transfer Products
- Packaged Solutions

**MIURA**

- On Demand Steam Boiler Systems

**VICTORY ENERGY**

- Steam Boiler Packages

**ATLANTIUM**

- Water Disinfection

**SHANNON GLOBAL ENERGY SOLUTIONS**

- Blanket Insulation

**POLARIS**

- Plate Heat Exchangers

**THRUSH**

- Heat Transfer
- Booster Systems

**DFT**

- Valves

**HAYS**

- Hydronic Systems

**GEMS**

- Controls - Level, Flow and Pressure
- Sensors - Level, Flow and Pressure

**SVF**

- Valves

**KUNKLE**

- Safety Relief Valves

**TXUAN**

- Rotary Joints

**MADDEN**

- Chemical Feed Systems
- Boiler Blow Down

**CG THERMAL**

- Heat Transfer

**HIGH PRESSURE EQUIPMENT**

- Pumps

**GOULD**

- Valves
